13th July 2006

End of Life Centre, operating an Authorised Treatment Facility (ATF) at the above address, has been appointed by Cartakeback.com to take back and process Citroën End of Life vehicles.

The agreement reached between the ATF and Cartakeback.com provides that the following standards will be maintained at all times:

- Complete Citroën End of Life Vehicles will be accepted for processing free of charge to the last owner.
- The premises are licensed by the Environment Agency to act as an ATF.
- The site and working procedures comply with the Cartakeback Minimum Standards, as endorsed by Citroën UK Ltd.
