End of Life Centre, operating an Authorised Treatment Facility (ATF) at the above address, has been appointed by Cartakeback.com to take back and process Iveco end of life vehicles.

The appointment has been accepted by Iveco on the following terms:

- Complete Iveco end of life vehicles will be accepted for processing free of charge to the last owner.
- The premises are licensed by the Environment Agency to act as an ATF.
- The site and working procedures comply with the Cartakeback Minimum Standards, as endorsed by Iveco.
